TownSQ Maintenance

- Autopayments are pulled on the 5th day of every month. If the 5th falls on a weekend the pull will happen on the previous Friday or following Monday.
- If there are changes to assessment amounts, TownSQ does not change your assessment automatically. You must log on to your account and make the change.
- Accounts in attorney status will be unable to make payments on TownSQ. Payments must be made by check or money order.
- If your association has two accounts, master and townhouse or condo, you must create accounts for both. You do not have to create a separate profile, just choose Add an account.
- There is a \$2.95 service fee for each transaction and 3% for credit card use.
- TownSq is a useful tool. You can monitor your account any time and use it to communicate with your community and Select Community Service staff.
